

**Signal Electronics
Equipment Selection Questionnaire**

COMMUNICATIONS

Check all that apply and make additional comments in space provided. This will help us determine the best choice of radar for your specific application.

- This vessel is used for recreational activities only.
- This is a commercial vessel.

VHF RADIO:

- I need a radio with remote control and/or multiple control stations.
- I prefer a radio with a built-in loud hailer.
- I prefer a high gain antenna (usually 17' long) for maximum range.
- I prefer a compact antenna (usually 6' or less).
- I have a specific brand preference. Brand _____

SSB RADIO:

- I prefer a SSB radio that is equipped for email applications.
- The vessel's hull is constructed of aluminum or steel.
- The vessel's hull is constructed of fiberglass (non-metallic)

AIS:

- This vessel is required by law to have an AIS unit.
- I am interested in only receiving AIS information, not transmitting.
- I want to see AIS targets on my chart plotter and/or radar.
- I need more information about AIS in order to make a decision.
