

**Signal Electronics  
Equipment Selection Questionnaire**

**GENERAL-MISC EQUIPMENT**

Check all that apply and make additional comments in space provided. This will help us determine the best choice of radar for your specific application.

- This vessel is used for recreational activities only.
- This is a commercial vessel.

**PA/INTERCOM:**

- I need a PA (public address) for making announcements only, not listening back.
- I prefer to have a PA that is built into a VHF radio.
- I prefer to have built-in foghorn capabilities in addition to normal voice announcements.
- How many speakers will you need? Inside \_\_\_\_\_ Outside \_\_\_\_\_
- I need a multi-station intercom system. How many stations? \_\_\_\_\_

**DISPLAYS:**

- I prefer combination-multifunction displays.
- Displays will be installed outside and exposed to direct sunlight.
- What size of display is best for your application? \_\_\_\_\_ to \_\_\_\_\_ inches approximately.

**CAMERAS:**

- I am interested in having cameras installed on my vessel.

**GENERAL:**

- Budget for electronics is very limited and will play a major role in the decision making process.
- I am primarily interested in the quality of the equipment.
- I am interested in electronics that I can install myself in order to save money.
- Professional installation and service after the sale is important to me.
